bauma CHINA 2026: Expands to a “One Show, Two Venues” Format

As the benchmark event for Asia’s construction machinery industry, bauma CHINA 2026 has announced a landmark strategic upgrade with the launch of its groundbreaking “One Show, Two Venues” concept. The trade fair will be held across two venues in Pudong, Shanghai: the Shanghai New International Expo Centre (SNIEC) from November 24 to 27, 2026, and the Shanghai World Expo Exhibition & Convention Center (SWECC) from November 23 to 26, 2026.

What's New in 2026?

1 Dual-venue expansion to 400,000 sqm

2 Full supply chain coverage: from machinery, components to tech solutions

3 Industry leaders gathering with new products and technologies

4 Dedicated zones for green, intelligent & automated technology

5 High-level forums and live machinery demonstrations

6 Matchmaking with suppliers and buyers from China and international markets

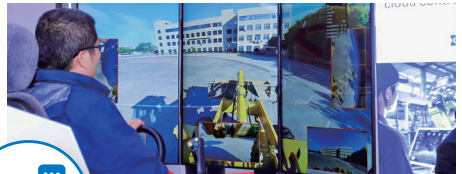

Supporting Programs

The Hub for Innovation & High-Level Events

- bauma CHINA 2026 Construction Machinery Innovation conference**
Co-organizer: China Construction Machinery Association (CCMA)
- bauma CHINA 2026 Construction Machinery Marketing & Business Matching Conference**
Co-organizer: China Construction Machinery Association (CCMA)
- 2026 Construction Machinery Electrification & Green Development Conference**
Co-organizer: China Council for the Promotion of International Trade Machinery Sub-Council (CCPIT-MSC)
- Attachment Ecosystem Development Conference**
Co-organizer: China Construction Machinery Co., Ltd. (CNCMC), Attachments Camp
- Smart Mining Equipment and Robotics Development Conference**
Co-organizer: EqualOcean

Multi-application Product Live Demos

5G Simulated Driving & Remote Control Experience

AR & VR Interactive Experience
